

JCB 6 in 1 SHOVELS

- JCB offers a comprehensive range of widths and capacities for 6 in 1 shovels in both the direct mount and quickhitch versions.
- JCB 6 in 1 shovels add versatility by offering the following functions; digging and loading, spreading material, grading, grabbing and dozing.

FEATURES

- Drilled to accept bolt-on edges and teeth.
- Heavy Duty, high quality cylinders to operate the clamp section of the shovel.
- Cast pivot pin section for added strength and durability when using the shovel for clamping, dozing and grading.
- Clamshell portion of bucket is cut to provide a serrated profile to give positive clamping and holding of material such as logs and pipes, etc.

Part Number specifications	Type Mount	Width in(mm)	Machine Application	Capacity yd <sup>3</sup> (m <sup>3</sup> )
128/10470	Quickhitch	92 (2337)	2WD, 4WD 2WS, 4WS	1.3 (0.99)
126/00578	Direct	92 (2337)	2WD, 4WD 2WS Only	1.3 (0.99)
